

Catholic Charities Help Center

Information for those applying for financial assistance

Please share this information with your landlord or the utility company as necessary.

Catholic Charities has a limited amount of funds to distribute each month.

Not all applicants who apply and qualify for financial assistance will receive help. Completed applications will be randomly chosen until funds are no longer available.

1. We try to contact everyone by the 15th of every month, whether you are chosen for assistance or not, at the main number for you that we are given.
2. If you are going to receive rental assistance, we must have your landlord sign a letter verifying that they will allow you to remain in your home for at least 30 days.
3. After making contact with your landlord or the utility company, we will request that a check be cut. After the check is cut, we will mail the checks directly to your landlord or the utility company.

If you are chosen for assistance, it may take up to three weeks for your landlord or the utility company to receive a check from our accounting department.

We are dedicated to assisting you as quickly as possible.

Please understand that we process hundreds of applications for assistance each month.
