## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
**Catholic Charities, Inc.**

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Catholic Charities, Inc., which comprise the statements of financial position as of June 30, 2019 and 2018, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express opinions on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### ***Opinions***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Catholic Charities, Inc. as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Emphasis of Matter***

As discussed in Note 1 to the financial statements, Catholic Charities, Inc. adopted the provisions of FASB ASU 2016-14, *Presentation of Financial Statements for Not-for-Profit Entities* during the year-ended June 30, 2019. Our opinions are not modified with respect to this matter.

### ***Other Matters***

#### *Supplementary Information*

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

### ***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 13, 2019 on our consideration of Catholic Charities, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Catholic Charities, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Catholic Charities, Inc.'s internal control over financial reporting and compliance.

## NOTES TO FINANCIAL STATEMENTS

Years Ended June 30, 2019 and 2018

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization - Catholic Charities, Inc. (Organization) is sponsored by the Catholic Diocese of Wichita. The Chancery Office of the Diocese provides an annual subsidy to partially fund the programs and services provided by the Organization.

The Organization provides the following programs and services in the southeastern quarter of Kansas:

*Counseling* - Individual, family, marital, and school counseling services.

*Adult Day Services* - Licensed facility provides a range of services for the aged and those with developmental, mental and physical disabilities, as well as Alzheimer's / Dementia.

*Our Daily Bread* - Helps individuals and families meet their nutritional needs by utilizing a model that allows them to personally select products from our food pantry on a monthly basis.

*Southeast Kansas Social Services* - Client assistance including rent and utilities with access to other community support services.

*Anthony Family Shelter* - Homeless families receive emergency shelter, in-house and follow-up case management services, life-skills training and family support services.

*Harbor House* - Provides temporary shelter, counseling, education, outreach and advocacy to women and children who are victims of domestic violence. Outreach services extend to Via Christi Medical Center, the District Attorney's office, municipal court and the Wichita, Kansas Department of Children and Families Offices.

*Foster Grandparents* - Men and women age 55 and older are placed in 20 to 40 hour per week assignments working with "special needs" children, children in foster care and youth in a variety of community settings. A stipend is paid to those who meet income eligibility requirements.

*Immigration Services* - Assistance in applying for immigration and naturalization benefits, and interpreter services.

*The Mount* - A family enrichment complex that provides paths to permanent housing for survivors of domestic violence, homeless families and adult pregnant women whose immediate crises have passed. Employment services and other family strengthening services are also provided. This program was discontinued during 2017. During 2018, an additional \$8,859 in expenses related to the close-out of this program were recorded.

Cash and Cash Equivalents - For purposes of the statements of cash flows, the Organization considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents. Cash and cash equivalents held by investment managers are considered investments.

## NOTES TO FINANCIAL STATEMENTS

Years Ended June 30, 2019 and 2018

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounts Receivable - The Organization's accounts receivable are primarily due from grantor agencies and clients. The allowance for doubtful accounts, if necessary, is specifically determined by management for each payor type balance considering a number of factors, including the length of time accounts receivable are past due, previous loss history and the customer's current ability to pay its obligation to the Organization. The Organization provides an allowance for accounts receivable when they become uncollectible. Uncollectible accounts receivable and payments subsequently received on such receivables are charged or credited to the allowance for doubtful accounts.

Contributions Receivable - Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at fair value, which is measured as the present value of their future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. No allowance for uncollectible accounts has been established for promises to give, since management deems them fully collectible. Conditional promises to give are not included as support until the conditions are substantially met.

Investments - Investments consist of an investment in the Catholic Diocese of Wichita endowment fund. The investment in the Catholic Diocese of Wichita endowment fund is reported at fair value in the accompanying financial statements. As discussed in Note 3, fair value is determined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Property and Equipment - Acquisitions of property and equipment are capitalized at cost when purchased or at fair value at date of gift, when donated. Depreciation is computed using the straight-line method over the estimated useful life of each asset. For long-term lease agreements on property and equipment with lower than market rates, the Organization records the difference between the stated lease rates and the market rates as a right to use asset. The rights to use a building, along with related leasehold improvements, are amortized over the shorter of the lease term or their respective estimated useful lives. Construction in process includes assets that are capitalized but have not yet been placed in service and depreciation has not yet begun.

The following estimated useful lives are being used by the Organization:

Building and improvements	10 - 40 years

## NOTES TO FINANCIAL STATEMENTS

Years Ended June 30, 2019 and 2018

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net Client Service Fees - Client service fees are recorded at net realizable amounts, which represent list price net of contractual adjustments (which are the difference between charges and the amount received or receivable from third-party payors) deducted to arrive at net client service fees.

Grant Revenue - Grant revenue is recognized when the related reimbursable expenditures are incurred. Revenue collected in advance of related expenditures is presented as deferred grant revenue in the statements of financial position.

Contributions and Contributed Services - Contributions received and unconditional promises to give are initially measured at fair value and are reported as an increase in net assets. Gifts of cash and other assets are reported as support with donor restrictions if they are received with donor stipulations that limit the use of the donated asset or if they are designated by the donor as support for future periods. When the donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets are reclassified to net assets without donor restrictions and are reported in the statement of activities as net assets released from restrictions. Conditional promises to give, which are dependent upon the occurrence of a specified future event or other stipulation, are recognized when the conditions are substantially met.

Income Taxes - The Organization is exempt from federal income tax pursuant to Section 501(c)(3) of the Internal Revenue Code and a similar provision of state law. However, any unrelated business income may be subject to taxation. Management reviews significant tax positions and recognizes the financial statement benefit of a tax position only after determining the relevant tax authority would more likely than not sustain the position following an audit.

Use of Estimates - In preparing the financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications - Certain amounts in the prior year financial statements have been reclassified to conform to current year presentation.

Implementation of New Accounting Standards - Effective, July 1, 2018, the Organization implemented FASB ASU 2016-14, *Presentation of Financial Statements for Not-for-Profit Entities*, applying the changes retrospectively. The purpose of the standard was to improve consistency of presentation and the nature of qualitative information presented in financial statements and notes about the liquidity and financial performance of not-for-profit entities.

Subsequent Events - The Organization evaluated and disclosed subsequent events through December 13, 2019, the date the financial statements were available to be issued.

### 2. INVESTMENTS

Investments are as follows as of June 30:

	<u>2019</u>	<u>2018</u>
Catholic Diocese of Wichita endowment fund	\$ 4,626,059	\$ 4,555,596

In general, the Organization's investments are exposed to various risks, such as interest rate, credit and overall market volatility risk. Due to these risks, it is possible that changes in the values of investments could occur in the near term and that such changes could materially affect the net assets stated in the accompanying financial statements.

### 3. FAIR VALUE MEASUREMENTS

Generally accepted accounting principles provide guidance which defines fair value, establishes a framework for measuring fair value under current accounting pronouncements that require or permit fair value measurement, and enhances disclosures about fair value measurements.

This guidance enables the reader of the financial statements to assess the inputs used to develop those measurements by establishing a hierarchy for ranking the quality and reliability of the information used to determine fair values.

The guidance requires that assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

*Level 1 Inputs* - Quoted prices in active markets for identical assets or liabilities.

*Level 2 Inputs* - Observable market-based inputs or unobservable inputs that are corroborated by market data.

*Level 3 Inputs* - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value measurements of the assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**3. FAIR VALUE MEASUREMENTS (CONTINUED)**

Catholic Diocese of Wichita Endowment Fund - The Organization's investment in the Catholic Diocese of Wichita endowment fund (Fund) is valued by the Catholic Diocese of Wichita based on estimates of the underlying investments of the Fund as provided by fund managers and based on other market-based data. Because the Organization owns an undivided interest in the Fund, its unit of account for fair value measurement purposes is the Fund. The Organization cannot look through the Fund to its underlying assets for the classification level in the fair value hierarchy. Rather, it must consider if relevant observable inputs exist for an undivided interest in the Fund. The Fund is classified as Level 3 in the fair value hierarchy because no observable inputs exist for an undivided interest in the Fund. However, at June 30, 2019 and June 30, 2018, approximately 93% and 93%, respectively, of the underlying assets of the Fund are mutual funds or publicly traded securities with fair values measured based on quoted market prices for identical assets in active markets. The Organization can only deposit and withdraw from the Fund on a quarterly basis.

The preceding methods to measure fair value may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of assets and liabilities could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, investments in the Catholic Diocese of Wichita endowment fund at fair value at:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
June 30, 2019			
Endowment fund	\$ --	\$ --	\$ 4,626,059
	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 4,626,059</u>
June 30, 2018			
Endowment fund	\$ --	\$ --	\$ 4,555,596
	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 4,555,596</u>

Changes in assets measured at fair value using significant unobservable inputs (level 3) are as follows:

	<u>Year Ended June 30, 2019</u>	<u>Year Ended June 30, 2018</u>
Endowment fund, beginning of year	\$ 4,555,596	\$ 4,341,626

Withdrawals	(127,270)	(124,252)
Endowment fund, end of year	<u>\$ 4,626,059</u>	<u>\$ 4,555,596</u>

Unrealized gains and losses are reported with investment income (loss) on the statement of activities.

### 4. LIQUIDITY AND AVAILABILITY OF FINANCIAL RESOURCES

The following reflects the Organization's financial assets as of June 30, 2019 and 2018, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the balance sheet date:

	<u>2019</u>	<u>2018</u>
Cash and cash equivalents	\$ 1,230,648	\$ 1,315,498
Accounts receivable		
Grants	474,049	320,568
Clients, net of allowance for doubtful accounts	137,531	71,310
Contributions receivable		
Diocesan subsidy	740,100	792,100
Promises to give, net of discount of \$20,136	1,029,864	--
Investments	<u>4,626,059</u>	<u>4,555,596</u>
 Total financial assets	 <u>8,238,251</u>	 <u>7,055,072</u>
 Less amounts unavailable for general expenditures within one year, due to:		
Contractual or donor-imposed restrictions:		
Contributions subject to conditions	850,000	--
Purpose-restricted net assets	1,082,847	1,034,838
Donor-restricted endowment funds	2,247,729	2,235,958
Board-designated endowment fund	<u>1,852,700</u>	<u>1,593,885</u>
 Financial assets available to meet cash needs for general expenditures within one year	 <u>\$ 2,204,975</u>	 <u>\$ 2,190,391</u>

The above table reflects donor-restricted and board-designated endowment funds as unavailable because it is the Organization's intention to invest those resources for the long-term support of the Organization. However, in the case of need, the Board of Directors could appropriate resources from either the donor-restricted funds available for general use (\$2,247,729, of which 1,956,283 is the original gift) or from its board-designated endowment fund (\$1,852,700). Note 5 provides additional information about the Organization's endowment funds. In order to manage custodial credit risk, the Organization's deposits in excess of federally insured limits are swept nightly into federal money market funds at the Goldman Sachs trust.

### 5. ENDOWMENT

The endowment includes donor-restricted permanently endowed funds, other donor funds that are restricted as to purpose only and have been designated by the Board of Directors (Board) for investment in the Catholic Diocese of Wichita endowment fund (Fund), and unrestricted funds designated by the Board to be invested in the Fund. Net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

**5. ENDOWMENT (CONTINUED)**

Interpretation of Relevant Law - The Board of Directors of the Organization has interpreted the Kansas Uniform Prudent Management of Institutional Funds Act (KS UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as net assets with donor restrictions, (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund continues to be reported as net assets with donor restrictions until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by KS UPMIFA.

In accordance with KS UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of the Organization and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Organization
- The investment policies of the Organization

Endowment net assets composition by type of fund is as follows as of:

	June 30, 2019

Return Objective and Risk Parameters - The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity as well as Board designated funds. The Organization's endowment consists of amounts invested in the Fund. The Fund targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints. The Fund invests in equities, fixed income securities, alternative investment strategies and cash equivalents with the primary objective being preservation of the Fund's purchasing power, seeking a balance between long-term appreciation and current income with relatively low tolerance for risk. The Fund investments shall also meet the objectives of social and moral responsibility in harmony with the teachings of the Catholic Church. The Fund's investment objectives over any five-year moving average is to exceed the annualized increase in the Consumer Price Index by six percentage points and to equal or exceed 105% of a defined composite portfolio. Actual returns of the Fund in any given year may vary from this amount.

Spending Policy - Since the purpose of the endowments is to provide for future needs, the reinvestment of earnings and long-term growth is encouraged. The annual withdrawal limit is set at 4% of the average market value of the fund, determined annually based on the ending market values for the previous twelve calendar quarters.

**6. PROMISES TO GIVE**

Promises to give, which are related to a capital campaign for the Organization's Adult Day Services facility, are as follows as of June 30:

	2019
Receivable in less than one year	\$ 66,667
Receivable in one to five years	983,333
	1,050,000
Less discount	20,136
Pledges receivable, net	<u>\$ 1,029,864</u>

Long-term promises to give have been discounted using a 5.5% rate. The amount receivable in one to five years includes \$850,000 that is conditional upon raising the remaining budgeted funds for the construction of the facility and commencement of construction. All other promises to give are unconditional.

## NOTES TO FINANCIAL STATEMENTS

Years Ended June 30, 2019 and 2018

### 10. NET CLIENT SERVICE FEES

The Organization has agreements with third-party payors that provide for payments to the Organization at amounts less than its established rates. Client service fees were recorded net of \$305,469 and \$314,390 of contractual adjustments for the years ended June 30, 2019 and 2018, respectively.

### 11. CONTRIBUTED SERVICES AND MATERIALS

The Organization recognizes contribution revenue for certain services and materials received at fair value at the date of receipt. Contributed occupancy consists primarily of donated rent provided by the Chancery Office of the Catholic Diocese of Wichita. Contributed services and materials are summarized as follows:

	Year Ended June 30, 2019	Year Ended June 30, 2018
Food, clothing, supplies and services (various programs)	\$ 598,995	\$ 759,857
Benefits and mileage (Foster grandparents)	4,168	7,072
	<u>\$ 603,163</u>	<u>\$ 766,929</u>

### 12. FUNCTIONAL ALLOCATION OF EXPENSES

Functional Allocation of Expenses - The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Expenses that can be identified with a specific program or support service are charged directly to that program or support service. Costs common to multiple functions have been allocated among the various functions benefited using a reasonable allocation method that is consistently applied. Salaries and benefits are allocated based on the roles and responsibilities of certain employees. Rent, utilities, depreciation, and other expenses associated with occupancy are allocated based on a pro-rata basis, based on the percentage of square footage occupied.

### 13. RELATED PARTY TRANSACTIONS

Lease Agreement - During 2010, the Organization signed a lease agreement with the Catholic Diocese of Wichita for administrative offices and ministry facilities. The lease agreement provides the Organization with use of a portion of a building for 40 years at rent of one dollar per year. The lease period began in February 2013. The lease agreement also includes a requirement for the Organization and the Catholic Diocese of Wichita to deposit \$500 per month and \$750 per month, respectively, to a maintenance reserve account until the account balance reaches \$200,000. The monthly deposit requirements are adjusted by the consumer price index on an annual basis. As of June 30, 2019 and 2018, respectively, the monthly deposit requirements for the Organization were \$548 and \$538. The maintenance reserve account can only be used for major repairs or maintenance to the building that do not arise in the ordinary course of business and exceed \$5,000. As of June 30, 2019 and 2018, the Organization held \$32,246 and \$33,440 in its maintenance reserve fund.

#### 17. ACCOUNTING STANDARDS ISSUED NOT YET ADOPTED

The Financial Accounting Standards Board (FASB) issued a new accounting standard, *Revenue from Contracts with Customer*, which supersedes nearly all existing revenue recognition guidance under U.S. accounting principles. The core principle of the new standard is to recognize revenues when promised goods or services are transferred to customers in an amount that reflects the consideration to which an entity expects to be entitled for those goods or services. The new accounting standard defines a five-step process to achieve this core principle and, in doing so, more judgment and estimates may be required within the revenue recognition process than are required under existing U.S. accounting principles. The standard is first effective for the Organization with its 2020 fiscal year.

In June 2018, the FASB issued ASU No. 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and Accounting Guidance for Contributions Received and Contributions Made*, which provides clarification on how entities will determine whether to account for a transaction as an exchange transaction or as a contribution and whether a contribution is conditional. Distinguishing between contributions and exchange transactions determines which guidance is applied. For contributions, an entity should follow the guidance in Subtopic 958-605, whereas for exchange transactions, an entity should follow other guidance (for example, Topic 606, *Revenue from Contracts with Customers*). Unconditional contributions are recognized immediately and classified as either net assets with donor restrictions or net assets without donor restrictions. Conditional contributions received are accounted for as a liability or are unrecognized initially, that is, until the barriers to entitlement are overcome, at which point the transaction is recognized as unconditional and classified as either net assets with restrictions or net assets without restrictions. The standard is first effective for the Organization with its 2020 fiscal year.

The FASB issued a new accounting standard, *Leases*, which includes substantial changes for accounting by lessees; existing operating leases and all new leases, unless immaterial, will require balance sheet recognition (right to use asset and lease liability). The standard is first effective for the Organization with its 2022 fiscal year.

The FASB issued a new accounting standard, *Financial Instruments - Credit Losses*, (also known as CECL) that requires the measurement of expected credit losses (allowance for doubtful accounts) that is based on historical experience and current conditions and reasonable and supportable forecasts that affect collectability of reported amounts. The standard is first effective for the Organization with its 2023 year.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

---

Board of Directors  
**Catholic Charities, Inc.**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Catholic Charities, Inc. (Organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 13, 2019.

### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR  
FEDERAL PROGRAM; REPORT ON INTERNAL CONTROL OVER COMPLIANCE

---

Board of Directors  
**Catholic Charities, Inc.**

**Report on Compliance for Each Major Federal Program**

We have audited Catholic Charities, Inc.'s (Organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2019. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

***Opinion on Each Major Federal Program***

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2019.

## Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Year Ended June 30, 2019

Note 1. Basis of Presentation

The accompanying schedule of expenditures of federal awards includes the federal award activity of the Organization and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the financial statements.

Note 2. Summary of Significant Accounting Policies

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Organization has an approved indirect cost rate of 34.13%, effective from July 1, 2018 to June 30, 2021, applicable to all programs.
